SMART MAPPING SOLUTION

ALV Active Link Vision™ for ArcGIS®

**Arc GIS** ESRI

Web ALV for ArcGIS Server

ALV for ArcGIS is a sophisticated MMS software application designed for management and analysis of the spatial data acquired by the Mobile Mapping System (MMS). ALV for ArcGIS is an extension/plug in to ArcGIS/ESRI's platform, which works as a complimentary technology and enables access to ESRI's ArcGIS Desktop & ArcGIS Server.

Desktop Application for ArcGIS®

ArcMap — IWANE ALV

Arc GIS ESRI — Geo Database
